**PETITIONING THE COURT**

---

To incorporate the violation(s) contained in this petition in future proceedings with the violation(s) previously reported to the Court on 12/26/2023 and 01/05/2024.

On July 31, 2023, the offender's conditions of supervision were reviewed by the probation officer and he signed said conditions acknowledging an understanding of his requirements.

The probation officer believes that the offender has violated the following condition(s) of supervision:

<u>Violation Number</u>	<u>Nature of Noncompliance</u>
-------------------------	--------------------------------

5	<b><u>Mandatory Condition # 1:</u></b> You must not commit another federal, state or local crime.
---	---

**Supporting Evidence:** The offender is alleged to have violated mandatory condition number 1, by committing the offense of Driving While License Suspended Third Degree, in violation of R.C.W. 46.20.342.1C, on April 21, 2024.

On April 21, 2024, the offender was cited for driving on a suspended license 3<sup>rd</sup> degree in Spokane, Washington. His next court date is scheduled for May 1, 2024, in Spokane Municipal Court, case number 4A0356779. It should be noted, Mr. Cameron was also cited for failing to obey a traffic control device.

He reported the above-referenced law enforcement contact to the probation officer and claimed he was unaware his Washington State driving privileges had been suspended. A record check conducted on April 29, 2024, reflects that his Washington State license is no longer suspended; however, he is not currently licensed in Washington State. Mr. Cameron currently possesses an Oregon State driver's license, which appears to be valid.
